Principal's Message...

I am very happy as ICSSR has sanctioned our Application of seeking financial assistance for organizing the Seminar under the theme "Azadi Ka Amrit Mahotsav".

The Department of History is organizing a National Seminar on 11th April, 2023 on the theme of "Contribution of Women in Bombay Presidency to the Freedom Struggle in India." We are very much thankful to ICSSR for considering our proposal.

Women are vital part of society and plays a greater role in the socio-economic and historic progress of our nation. Now a day's women study is one of the momentous issues in the world. The status of women in India has been subject to many great changes over the past few millennia. It is often said that the status and position of women in society are the best way to understand a civilization, its progress and its shortcomings. In case of India, women have come a long way from women sages and scholars in the Rig Vedic period to women in the armed forces, IT sector, politics, industry and other significant areas while balancing their role as a daughter, wife and mother. This journey towards modernization has not been easy. Women have had to fight the traditional Indian male-dominated society to emerge as stronger and independent entities

Considering the rate at which the knowledge is advancing, it is education that will determine the level of prosperity, welfare and security of our nation. The progress of a nation depends on the quality of students coming out of our educational Institutions. The objective of seminar is to provide platform to bring together eminent scholars and researchers in the field which will enable to exchange and share the ideas and thoughts. This seminar will also help the delegate to upgrade their knowledge. The seminar highlights invited talks from reputed resource persons on main theme.

I hope the Seminar on "Contribution of Women in Bombay Presidency to the Freedom Struggle in India." would certainly help everyone to have the latest updates to have a better understanding to contribute more and progress in Research. I wish all the best to the participants came from different institutes. On behalf of the management, I would like to thank "Indian Council of Social Science Research, New Delhi"; for their sponsorship.

I take this opportunity to congratulate the organizing team for the effort taken by each one of them to make this National Seminar a reality.

I wish them all a grand success...

Dr. R. R. Kumbhar
